Rugby Playing Reference for Oliver Winter.

To whom it may concern.

This Season Oliver Winter (Ollie) played for the South's Rugby Union Club in the Queensland Premier Rugby Competition. He played the entire season in Premier Grade for South's some 24 Games.

Ollie came to South's for the Leicester Rugby Union Club in England.

Ollie has an outstanding professional attitude towards his Rugby and this clearly rubbed off on the South's players. His professional attitude to training and game preparation and Game performance was outstanding from day one with South's. He was always seeking feedback to improve his performances and better himself.

He is an extremely talented and skilful Player with exceptional speed and turn of pace. He has very good ball and good all round Rugby skills. He is also extremely effective in defence.

In a lot of ways he demonstrates very similar qualities to Tim Horan a former Wallaby and a player here at South's. Tim also provided some quality advice and tutoring to Ollie during his stay at South's.

Ollie was a pleasure to Coach on and off the Rugby Field is always most welcome to come back and play for South's. He has an exceptionally bright future in rugby if he continues to work hard to achieve his goals.

I wish him well and I have no doubt whosoever that he will achieve his goals in rugby and life.

He is a quality person foremost and a fantastic Rugby player. I have no absolute hesitation in recommending him to any Rugby Club.

If any further information is required please call me on the Mobile number provided below.

Yours Faithfully

Ian Cameron
